

Recycle your 'Ever-Green' Tree!

Time to recycle your tree and keep Xmas a little 'Greener'?

Boy Scout Troop 582, based in Kenmore, will be holding its annual Christmas Tree recycling program:

Saturday, January 10th, 10am-3:00pm

Scouts will pass out envelopes to most Kenmore Homes the week before Xmas.

If you don't receive one, you can still participate!

Just put an envelope with your donation (suggested donation is \$8), in an envelope and attach it to your old tree.

Have your bare (not flocked) trees curbside by 10:00 a.m.

If your tree has not been picked up by 2:00 p.m., please call 425-487-3768

And a gang of willing scouts will be dispatched to collect your tree!

Xmas Tree recycling is one way the Boy Scouts learn about helping protect and conserve natural resources. All trees are composted, and do not go into the landfill. This event also helps raise money the Troop uses to send disadvantaged scouts to camp and pay for other worthwhile programs!

Thanks for Thinking 'Ever-Green'!
