From Your Police Chief

January 22, 2016

Dear Citizens of Kenmore:

The men and women of the Kenmore Police Department are committed to providing high quality, professional law enforcement services to the citizens of Kenmore. We are dedicated to being responsive to the needs of the community. We have had an active partnership with our citizens that have embraced the philosophy of community-oriented policing and problem solving and as a result of this partnership we have seen reductions in crime and the fear of crime.

The City of Kenmore continues to operate the prescription drug drop box at City Hall, located at 18120 68 Ave NE, Kenmore. Turning in your expired or unused prescription drugs for disposal is the only secure and environmentally sound way to dispose of leftover medicines. **You may drop off your medicines Monday – Friday from 9 am to 5 pm, excluding holidays, no questions asked. WE WILL NOT ACCEPT FLUIDS, NEEDLES OR INHALERS.**

Every year, on the first Tuesday of August, we sponsor NNO at Kenmore City Hall, located at 18120 68 Ave Ne St. Kenmore, WA from 6:00 p.m. to 9:00 p.m. This is the time when the community comes together to promote police-community partnerships; crime, drug and violence prevention; safety; and neighborhood unity. Police officers barbecue hamburgers and hotdogs for our citizens (for **FREE!**). Police and fire fighting vehicles are on display for all to view and check out. Information is available for the following:

- Block watches,
- House checks,
- Personal safety,
- Fingerprinting and ID cards for kids,
- Bicycle registration cards and
- Home fire prevention.
- This is a great way to get to know some of the people that make up your community. We are looking forward to seeing you at NNO this year.

The City of Kenmore offers a house check program that is available to all Kenmore residents who are planning to be out of town for one week or longer. While you are away, a Kenmore Police Volunteer will check the exterior of your residence, several times a week; to ensure the doors and windows are secured and have not been damaged. In the event a door or window is found open or damaged, a Police Officer will be dispatched to check your residence. We will then contact either you, or a person you have designated on the form, to respond and secure the residence.

This program does not relieve any resident from taking the necessary steps to ensure their house is properly secured. Here are some helpful hints to take before leaving town:

- Contact one or two trusted neighbors or family members and let them know what your itinerary will be and give them a phone numbers to each place you plan on staying. It would be helpful to leave a key, so your neighbor or family member can access your home in case of an emergency. If your house has an alarm give the code to them so the alarm can be deactivated if it goes off.
- You should have the Post Office hold your mail or have your neighbor/family member pick it up daily.
- You should have the newspaper stopped or have it picked up daily.
- Leaving a light on inside the house is a good idea. This can be accomplished either by plugging a lamp, or two, into a timer or have a neighbor/family member turn them on/off daily.
- Make sure your neighbor/family member takes care of the garbage, usually for the first week you're gone.
- If you are going to be gone for several weeks it's a good idea to have someone take care of your lawn.
- Make arrangements for someone to take care of your pets that are left behind and be sure to indicate what type of pet and where they are located on the property.
- If you are going to be gone for an extended time you might want to consider turning off the power and water off to your hot water heater and washing machine.
- The house check forms are available on the City of Kenmore's webpage.

This report is a review of our performance during the year 2015. It is a compilation of statistics that portray our work and commitment to the citizens of Kenmore. I am happy to report that this year we have seen a reduction in many crime categories and will continue to work hard to make our community a safe place to live. There are a number of reasons why our crime rate has declined over the last several years, e.g. police officers actively working the crime areas of the city where repeat calls for service are generated and the arrest and incarceration of repeat offenders, just to mention a few.

We will continue to review our strategies and use innovative techniques in our ongoing efforts to reduce crime in Kenmore. We invite your comments and questions.

Sincerely,
Clifford G. Sether
Chief of Police

About the Annual Police Service Highlights & Data Report

The Annual Police Service Highlights & Data Report contains information on the service efforts and accomplishments of the Kenmore Police Department to support its mission, goals, and objectives. The goal of the report is to keep the City of Kenmore residents, staff, administrators, and elected officials informed of police service and crime activity in the city. The report is produced by the City of Kenmore Police Department in partnership with the King County Sheriff's Office (KCSO) Research, Planning and Informational Services and Contracts Units. Questions about the report can be directed to the Kenmore chief of police.

The Police Service Highlights section gives a narrative of police efforts and year-to-year comparisons of selected crime and police service data. Most of the data in this section is taken from the Police Services Data section unless otherwise indicated as being from a difference source.

The Police Service Data section provides further detailed crime and police service data. Please note that numbers in this section may differ slightly from numbers in the Police Services Highlights due to rounding differences.

City Cost Comparison

The annual police cost comparison study is conducted by the KCSO Contracts Unit. The study accounts for budget differences and may factor in (or out) certain line items in order to allow for “apples-to-apples” comparisons. Kenmore’s cost per capita here is different than the contract cost per capita, which only includes Kenmore’s law enforcement contract paid to the county.

Kenmore's Crime Rate: Part I Crimes

The Crime Rate is a calculation of the number of Part I Crimes divided by population in thousands. Part I Crimes is a category of crimes established by the Federal Bureau of Investigation (FBI). It includes criminal homicide (which includes murder and non-negligent manslaughter, but excludes deaths by negligence, attempts to kill, suicides, accidental deaths, justifiable homicide, and traffic fatalities), forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson.

Part I Violent Crimes against People

Part I Crimes include crimes categorized as “violent crimes” or “crimes against people.” The following are Kenmore’s Part I Violent Crimes.

Homicide

Source for all below: Police Services Data

Homicide

The willful killing of one human being by another. Includes murder and non-negligent manslaughter, justifiable homicide, and manslaughter by negligence.

Rape

Rape

Rapes by force and attempts or assaults to rape, regardless of the age of the victim, are included in this count. Statutory offenses (no force used—victim under age of consent) are excluded.

Aggravated Assault

Aggravated Assault

Aggravated assault is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Robbery

Robbery

Robbery is the taking or attempting to take anything of value from the care, custody, or control of a person by force, threat of force, violence, or by putting the victim in fear.

Part I Non-Violent Crimes against Property

The second group of Part I Crimes is known as “non-violent crimes,” “crimes against property,” or “property crimes.” The following are Kenmore’s Part I Crimes against Property. Information about vehicle theft, also included in this category, can be found with traffic and automobile incident information.

Arson

Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another.

Source for all below: Police Services Data

Burglary (breaking or entering)

Burglary is the unlawful entry of a commercial or residential structure with the intent to commit a crime. Attempted forcible entry is included.

Larceny (except vehicles)

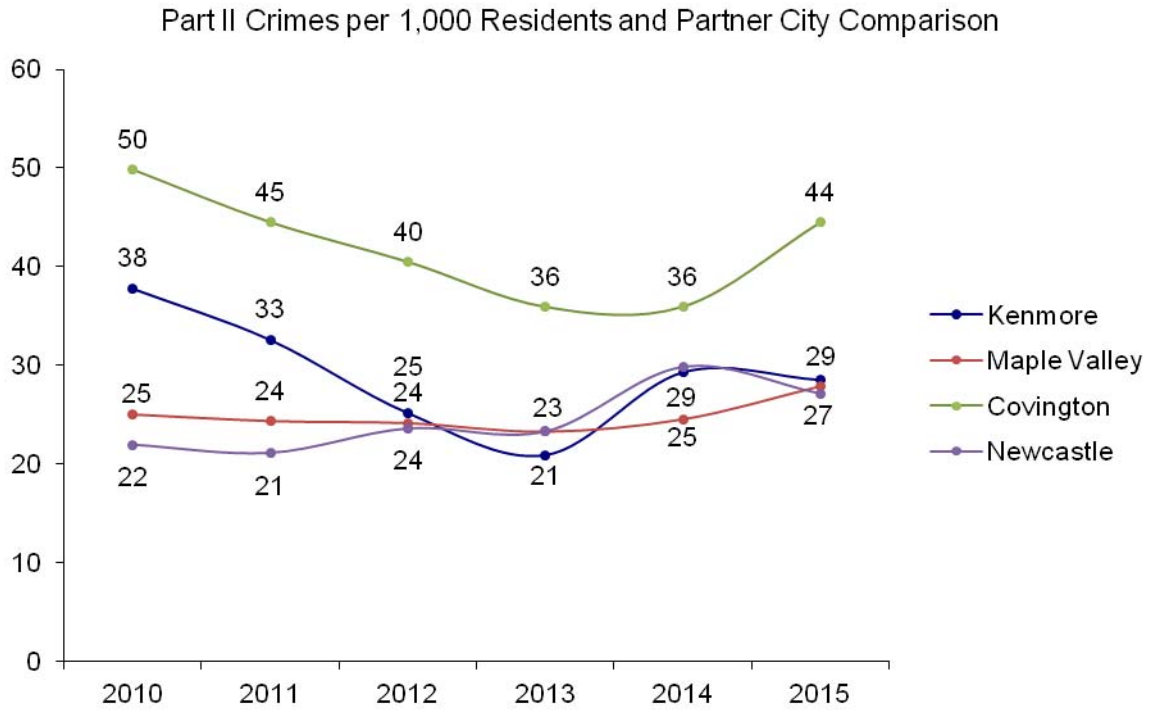

Larceny is the unlawful taking, carrying, leading, or riding away of property of any value amount from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pocket-picking, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, forgery, check fraud, and like crimes are excluded.

Part II Crimes

Part II Crimes are the next category of crimes after Part I Crimes. While Part I crimes are comprised of serious felonies, Part II crimes are comprised of non serious felonies and misdemeanors. Together these two types of classifications make up the crimes reported in the Uniform Crime Reports (UCR).

Part II Crimes include simple assaults, fraud, vandalism, possessing weapons, prostitution, drug offenses, driving under the influence, disorderly conduct, drunkenness, and more.

Traffic and Automobile Incident Information

Vehicle theft

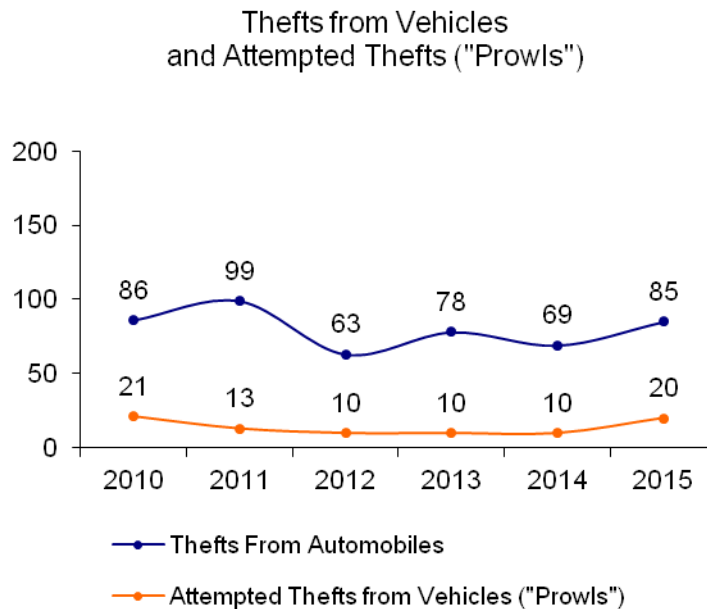

Vehicle theft is included in Part I Crimes against Property. It is the theft or attempted theft of a motor vehicle, which is defined as being self-propelled and running on a land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

Thefts and Attempted Thefts ("Prowls") from Automobiles

A theft or attempted theft ("prowl") from an automobile is the act or attempted act of taking something from the inside of an automobile.

Traffic Collisions

Collision information includes reports for injury, non-injury, and fatality vehicle collisions. Driving under the influence (DUI) collisions and hit-and-runs are excluded from this category.

Source: Police Services Data

Citizen Traffic Complaints

Citizen traffic complaints include all reports residents make regarding chronic traffic violations and requests for traffic enforcement. Complaints are assigned out to specific traffic enforcement units as well as patrol and are worked on a regular basis. Some complaints are resolved relatively quickly, while others become the site of on-going traffic enforcement projects.

Part I & II Cases Closed by Arrest

The cases below represent incidents where an officer or detective has recommended that the King County Prosecutor’s Office file criminal charges against the case suspect. These criminal charges may result in an arrest or another form of punitive action, such as a citation. A prosecuting attorney is solely responsible for the decision to formally file charges and prosecute defendants.

Adult and Juvenile Charges and Arrests

One or more charges can result from a single arrest. Charges also can be filed when probable cause exists against a person who may not have been arrested. The following are the total number of felony and misdemeanor charges and arrests by adult and juvenile status.

Calls for Police Assistance

The public receives police assistance in a variety of ways. Residents can call the Emergency 911 Communications Center to have one or more officers dispatched to the field, called a “dispatched call for service.”

In addition to dispatched calls for service, 911 center operators can take certain types of reports over the phone through alternative call handling (ACH). This allows police officers more time to respond to those who need an officer present at the location of their incident.

Following are the numbers of dispatched calls for service (DCFS) and alternative call handling (ACH) incidents reported.

Source: Police Services Data and CAD

Dispatched Calls For Service (DCFS): The number of DCFS shown here includes calls that are verified to take place inside the city limits and that are charged to the city as part of its police contract. Total DCFS counts, as shown in the Police Service Data section, may be slightly higher (usually less than 5 percent higher).

Response Times to High Priority Calls

When calls for police assistance are received by the Emergency 911 Communications Center, they are entered into the Computer Aided Dispatch (CAD) system and given a “priority” based on the criteria described below. If the call receiver is in doubt as to the appropriate priority, the call is assigned the higher of the two priority designators in question.

“Priority X” designates critical dispatches. These are incidents that pose an obvious danger to the life of an officer or citizen. It is used for felony crimes in-progress where the possibility of confrontation between a victim and suspect exists. Examples include shootings, stabbings, robberies or burglaries.

“Priority 1” designates immediate dispatches. These are calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes so recent that the suspect may still be in the immediate area.

“Priority 2” designates prompt dispatches. These are calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Following are the City of Kenmore’s Police response times for the above priority calls. Response times include all time from the receipt of a phone call to the moment an officer arrives at the location of the incident.

Source: Police Services Data

Computer Aided Dispatch (CAD): A computerized communication system used by emergency response agencies for dispatching and tracking calls for emergency assistance.

Commissioned Officers per 1,000 Residents

Commissioned officers per 1,000 residents shows how many commissioned police officers are employed by Kenmore for every 1,000 residents. This number includes commissioned officers who work in supervisory or other non-patrol related positions as well as special services officers who work part-time for the city. It does not include professional (i.e. non-commissioned) support staff.

Source: KCSO Contracts Unit

Dispatched Calls for Service (DCFS) per Patrol Officer

Dispatched calls for service (DCFS) per patrol officer is the average number of dispatched calls one patrol officer responds to within a year. This number uses only dispatched calls Kenmore pays for and does not include the number of responses an officer initiates (such as witnessing and responding to traffic violations, called "on views"). Also, the numbers below are *patrol only* and exclude non-patrol commissioned officers (such as supervisors or special duty officers/detectives).

Costs of Police Services per Capita

The City of Kenmore contracts with the King County Sheriff's Office (KCSO) for police services. Among other benefits, contracting for services from a larger law enforcement agency allows for cost savings through "economies of scale." Specific economies of scale provided through the contract with KCSO include:

- Mutual aid agreements with other law enforcement agencies in Washington State
- A large pool of officers if back-up help is necessary
- Coverage if city officers are away
- Expertise of specialized units to assist officers
- More experienced officers to select from for city staffing
- Cost sharing throughout the department to keep city costs down

Costs for police services vary depending on a city's resources and the level and type of police services the community wants. The City of Kenmore may have additional funds or expenditures for special projects or programs as part of the city's law enforcement budget. These additional costs are not reflected in the contract cost per capita, which shows the contract cost for police services divided by Kenmore's population.

Source: KCSO Contracts Unit

*Note that the 2012 increase was due to the addition of 1 patrol officer FTE.

Cost per \$1,000 of Assessed Real Property Value

Cost per \$1,000 of assessed real property value shows Kenmore's contract cost in relationship to the property values of Kenmore.
